## About Encino Hospital Medical Center

Encino Hospital Medical Center is a 148-bed, not-for-profit, acute-care community hospital servicing the greater San Fernando Valley. Encino Hospital provides 24/7 emergency services in addition to a wide range of highly specialized medical, surgical and diagnostic services. The state-of-the-art geriatric services include a geriatric Senior ER, Comprehensive Senior Care Program, Geriatric Inpatient Wing, and Gero-Psychiatric Inpatient Services.

## Our Mission

To deliver compassionate, quality care to patients and better healthcare to communities.

## Our Values

### Quality

We are committed to always providing exceptional care and performance.

### Compassion

We deliver patient-centered healthcare with compassion, dignity and respect for every patient and family.

### Community

We are honored to be trusted partners who serve, give back and grow with our communities.

### Physician-Led

We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

## FY2020 Charity Care

As a member hospital of Prime Healthcare, Encino Hospital Medical Center contributed toward more than a total of \$1.1 billion in the delivery of charity and uncompensated care.
